

Volunteers Needed For Heritage Academy Playground Build

Sunday, October 12, 2008
(rain or shine)

9 am until playground is built!
(approximately 3pm)

Thanks to your help, the Heritage PTO has raised enough money to purchase some new playground equipment. Be the first to see our new purchases by helping us put this equipment together.

Sign up at the front office for as many blocks of time as you can spare. We need at least 15 adult volunteers to make this project successful. Please RSVP by Friday, October 3rd, so that we can plan accordingly. Thank you for your help!
